The Moments That Matter Ball Sponsorship Opportunities

Friday 13th November 2026

Sponsorship that makes a difference

The Charlie House Ball is set to return once again, this time at a brand new venue. From fantastic live entertainment, to a dazzling drinks reception, three course meal, silent auction, tombola and so much more it is one not to be missed!

Join us on the **13th November 2026, at The Chester Hotel**, for our and evening of fabulous entertainment and fundraising for Charlie House. Each penny raised will make a direct impact across the North-east of Scotland to local children living with life-limiting or life-threatening conditions, and their families. Your support will help us continue our goal of ensuring they can live as full lives as possible, keeping the focus on what they can do, not what society tells them they can't.

As a valued sponsor, your company will bask in the spotlight of the evening, whilst playing a vital role in making the impossible possible for children with life-limiting or life-threatening conditions, and their families, across the region.

About Us

Charlie House supports babies, children, and young people with life-limiting or life-threatening conditions, along with their families, across the North-east of Scotland.

The goal is simple – to support children to live as full lives as possible. From paddle boarding to music therapy, the focus is on what children can do, not what they can't; helping them to play, have fun, and do the things that children should do.

Alongside this, families are supported with expert therapeutic care and dedicated wellbeing support - helping them to cope with and navigate the most difficult of times.

Your support makes a difference

Sponsoring the Moments That Matter Ball is a powerful way to promote your organisation and make a lasting difference in the lives of children with life-limiting or life-threatening conditions, and their families, in the North-east of Scotland.

Don't miss out on this fantastic event. Secure your place now and make a lasting impact for local families right here in our community.

Life is precious

“Charlie House doesn’t just provide a service; they also provide a childhood. Because of them, Anna has been able to experience things I never thought possible. We’ve had access to an incredible range of activities. We’ve gone from activities like air hop to adventures like paddle boarding, donkey rides, speed boat rides, to the pure magic of Disney on Ice, private cinema screenings, Christmas parties, Disney sing along and Easter bunny and elf visits.”

“In some of the heaviest moments, they have brought light.”
